ProGnost 2024 Live Online - January 13, 2024

With the New Year comes the newest ProGnost installment, Adamus' annual planetary trend forecast. Since 2014, ProGnost has become one of the most anticipated Shaumbra events of the year because Adamus paints a clear and understandable picture of where humanity is headed in the years ahead. ProGnost provides a high-level global overview of what's coming in the future so you can be physically, emotionally and energetically prepared.

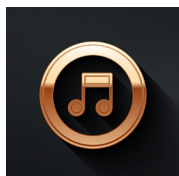

Aspectology Online - January 19 - 21, 2024

Tobias and Adamus speak about the aspects we create to experience and manage our lives. An aspect represents a certain part of you, for example the parent, the musician, warrior or business person, the healer, a child, etc. With the tools offered in this workshop you can start to recognize and reintegrate those Aspects that are not fully integrated in your life and invite them back within. By reintegrating your Aspects you can release deep energetic wounds and begin enjoying life in a new way.

Master's Life 16 - Returning to Grace

In *Returning to Grace*, Adamus helps us understand how to reconnect to grace, the "coming back together" of all parts of Self. When we accept that there was never a fall from grace, we'll no longer have the pain, struggle, and suffering that stems from feeling unworthy. As you accept the joy of being human, life becomes smooth and easy. With this deep integration, everything begins to flow in its natural graceful way. Five insightful sessions, just \$150 through March 5, 2024.
