FEATURED EVENTS & PRODUCTS

Get out your magic wands and wizards hats because we're going to have an online celebration! .This 3-day event will be webcast from the Crimson Circle Connection Center in Colorado so Shaumbra from all around the world can participate. There will be channels from Adamus Saint-Germain and friends, as well as guest presenters and more, for many hours of inspiration and celebration during the three days. The annual Merlin event has been the biggest annual Shaumbra gathering for many years now. 90 day access to all video and text e-reader.

The Threshold Online - The Threshold deals with the struggles and challenges as you come to Realization. Many Shaumbra have waited lifetimes for this moment, yet still have difficulties making the final step. Adamus states that what one experiences in Threshold is the last thing they do before Realization. Every Ascended Master has gone through the experience, and in most cases it has been brutal. It's basically the encounter with the inner dragon that stands at the doorway to Realization. The dragon will not allow anyone into Realization if they still hold any vestiges of guilt and shame.

NEW! - Master's Life 14 The word "soul" is used in many contexts, but what does it really mean? In this groundbreaking presentation, Adamus Saint-Germain says that the soul is all your potentials, your wisdom, and your sovereignty. In essence, it is God, the totality of your energy, the single and unlimited creation of the I Am. This means that everything you perceive is your energy, and it's all in service to you. Mass consciousness is simply the mutual consent in this "Game of Angels" to perceive things as being outside of you for the purpose of experience, self-love and ultimately freedom.
