About the Coronavirus 2020 - Adamus' Perspective. In late February, Adamus gave a short message with his insights on what this virus is about and why it is manifesting on Earth. He said that every virus, even the common flu, is ultimately a consciousness virus. It stems from an imbalance in human consciousness and serves to bring resolution to the imbalance. Adamus stated that the "coronavirus" is specifically related to the current economic and financial imbalances and lack of equality on the planet. In fact, it is technology that can ultimately help to rebalance this situation. For Shaumbra, Adamus says there is nothing to fear when you allow all energy to serve you. This message was given at an "Ahmyo Retreat" event specifically for attendees from South Korea. Because this country is currently facing a widespread outbreak of the virus, Adamus chose to address the issue first. Available as a free audio and text download in the Crimson Circle store.

UPCOMING ONLINE EVENT

Tobias' *Journey of the Angels* will be offered for the first time online, hosted live by Geoff and Linda Hoppe, from March 13 - 15. By understanding where you came from, the future opens into freedom. Tobias tells a story of creation that will touch your soul and awaken your deepest memories. Remember the Oneness of Spirit from whence you came and revisit the origins of duality, the heartbreak and adventure of leaving Home, the discovery of Self, the Order of the Arc, and the beginning of Creation. Understand the purpose of your life, why you're here on Earth, and the joy of the love of self. In the 'beginning,' with the exquisite realization of your own existence, you set out to experience, discover and learn. You've had many adventures along the way, gotten hopelessly lost, forgotten your roots, but the flame of eternal longing to go Home has always burned.
