We've done this popular workshop all over the world and we're always amazed at how Shaumbra learn to connect with and channel energies. Register early... limited to 36 future channelers.

**Colorado in the summer!**

**The Simple Master: *Allowing & And* Louisville, Colorado USA**

**July 28 - 30, 2017**

In this new workshop titled "The Simple Master - *Allowing & And*", Adamus Saint-Germain helps clear the clutter and bring you back to the basics: *Allowing & And*. Adamus says these are the keys to embodied enlightenment. "*Allowing*" means to get out of the mind – and get out of your human-aspect ways – to allow the Free Self to be present in your everyday life. "*And*" brings you back to the realization that you are not singular,

linear or local. You can be the Master and the student simultaneously. You can be human – with all of the human quirks and quacks – and, at the same time, be divine.

**August 11 - 13, 2017**

DreamWalker® Death Transitions is the very first school offered by Adamus Saint-Germain, first channeled in Taos, NM - August 14-16, 2005. The DreamWalker® Death Transitions school is among the most transformational classes offered by the Crimson Circle, and this is the first time it will be presented online. Adamus may add additional channels during the live webcast. Before and after each channeled session, there will be comments from Geoff and Linda as they host the School live. In DreamWalker Death, Adamus Saint-Germain explains the many different levels or areas of the non-physical realms. In DreamWalker Death, you will also learn how to conduct a DreamWalk for someone who is approaching their death or has recently transitioned. All sessions are hosted live by Geoff and Linda Hoppe. There will be a live Q & A session with Adamus at the end of the online class.
