FEATURED EVENTS

The venerable Sexual Energies School will be offered online May 17 - 19, hosted live by Geoffrey and Linda Hoppe with Spanish translation. SES is a core Crimson Circle class for energy management and loving Self.

Keahak is a one-year program, designed by Adamus Saint-Germain, for the realization of your "I Am" consciousness into your daily life.

FEATURED PRODUCTS

Unlike the human emotion of happiness, joy is not dependent on other people, circumstances or anything else outside of you. "To be alive is to be in joy" and even sorrow, anger and depression are experiences of life and therefore contain joy at their core. After speaking about joy, what it is and where to find it, Adamus leads a beautiful merabh for allowing the joy to return to your awareness. It changes everything, for joy is a sense, a way of perceiving reality. Allow yourself to bring the awareness of joy back into your life! Length 54:30 • Cost \$25 • Video & audio

For the embodied Master on Earth, it becomes important to understand how this reality came into being and how it can be changed. When you become aware of gravity, time and space each as a sensuality – a way of experiencing – it completely changes how the energy comes in to serve you
