FEATURED EVENTS & PRODUCTS

Now available - Master's Pause - I Am Beauty

Of all the angelic senses, Beauty is one of the most exquisite perceptions. Beauty is pure, its wisdom immediately accessible, and can be found everywhere in everything. While the non-physical realms have great etheric beauty, angels come here to experience the gritty, compressed Beauty that can only be found in the density of Earth. Being in the sense of Beauty changes how energy comes to you, allowing it to bring experiences of beauty rather than being diminished by logic and judgment.

Keahak XI registration now open - Keahak is a one-year program, designed by Adamus Saint-Germain, for the realization of your "I Am" consciousness into your daily life. This will be our 11th year of Keahak, which has been recognized as one of the most impactful and beneficial Crimson Circle programs for Shaumbra who are committed to embodied enlightenment in this lifetime. Keahak is for those who want a deeper and more frequent connection with the wisdom of Adamus and the Crimson Council. Keahak XI starts in July but make sure to register early.
