The Metaphysics of Pain, with Ascended Master Kuthumi Lal Singh and neurologist Dr. Douglas Davies, Beverly Hills, CA, Dr. Doug adds his medical expertise to this discussion, particularly helpful since all pain perception comes from the mind's interpretation of what's happening in the body. Kuthumi and Dr. Doug discuss the purpose and causes of pain, how to communicate with your body to understand the source of your pain and offer very practical solutions for releasing the chronic pain that many Shaumbra experience..

Keahak XII registration open through June 15. Keahak is for those who want a deeper and more frequent connection with the wisdom of Adamus. The messages are personal, provocative, insightful and, at times, intense. They go beyond the discussions and experiences in the monthly Shoud messages, taking Keahakers to a new level of light and energy in their lives. Keahak is Adamus' most current information that continually offers the potential for deep life changes.

The Sexual Energies School is an opportunity for profound transformation and healing, with effects that can include better physical health, the end of energy stealing and power games, balanced relationships, enhanced creativity, and eventually true enlightenment. It is a return to the essence of yourself. The original "Sexual Energies School" (SES), so called because it deals with the ancient imbalance between the masculine and feminine energies, was channeled by Tobias. This is a core Crimson Circle class, offered twice a year online.
