FEATURED EVENTS

The original Sexual Energies School (SES), so called because it deals with the ancient imbalance between the masculine and feminine energies, was channeled by Tobias in early 2006 in San Diego, California. The school was then filmed before a live audience in July 2006, updated with Adamus in 2015, and has become one of the most important and life-changing classes offered by the Crimson Circle. This online school will be hosted live by Geoffrey and Linda Hoppe, who will offer insights and facilitation before and after each recorded session.

This online workshop is ideal for:

- Learning about the sexual energy virus and how it affects your life
- Creating your own path to self-love, and allow the return to joy
- Discovering the futility of power games
- Learn how to stop others from stealing your energy

- Improve your relationships, health and well-being
- Excellent for counselors and other professional facilitators.

Available online, December 3 - 5, 2021. Hosted live by Geoffrey & Linda Hoppe.

ProGnost™ is Adamus' annual trend forecast to discuss the potentials and energy dynamics for the planet. These much-anticipated messages are accurate and helpful tools for tuning into the current consciousness, developments and changes on Earth, as well as average hu-

man life and the future trends. Since 2014 ProGnost has become one of the most sought after and discussed Shaumbra events of the year. Adamus, dedicated to guiding us into our embodied Realization, doesn't usually address the state of the planet, politics, aliens, the environment or the future. But twice a year he opens his cloak to reveal what he and the other Ascended Masters foresee for our planet in the years ahead. ProGnost 2022 will give you tools to help maintain an abundant balance in your life, facilitate your embodied realization, and have the discernment to know the difference between distractions and opportunities. ProGnost 2022 is a one-day event.
