### Sexual Energies School - December 8 - 10, 2023

This opportunity for profound transformation and healing is offered twice a year. With benefits that can include better health, the end of energy stealing and power games, balanced relationships, enhanced creativity, and true enlightenment, it is ultimately a return to Self. Hosted live by Geoffrey and Linda Hoppe, includes multiple sessions with Tobias and Adamus, as well as guided personal experiences. The Sexual Energies School is considered one of the core Crimson Circle classes.

### ProGnost 2024 - January 13, 2024

With the New Year comes the newest ProGnost installment, Adamus' annual planetary trend forecast. Since 2014, ProGnost has become one of the most anticipated Shaumbra events of the year because Adamus paints a clear and understandable picture of where humanity is headed in the years ahead. ProGnost provides a high-level global overview of what's coming in the future so you can be physically, emotionally and energetically prepared.
