FEATURED PRODUCTS AND EVENTS

It's almost showtime! Rude Awakening, the much-anticipated documentary, will be available as a one-time only Shaumbra launch on October 15, 2022. This insightful and entertaining film is about the journey into awakening, and beyond. The movie captures the story of Shaumbra and conveys it in a captivating, down to earth and cinematic style giving our story the standard it deserves. This will be a one-time showing of the film to the Shaumbra-only audience. Your registration includes a three-part showing on October 15, as well as bonus materials.

Dream of the Merlin Online - These profound sessions provide a roadmap for where we've come, and where we're going to in the coming years. Sam delivers shocking news about his journey, Nikola Tesla explains what happened with his free energy experiments, and Kuthumi, while recognizing the difficulty in staying in the human condition, challenges Shaumbra to beat his record of staying on the planet after Realization. Merlin explains why we don't remember our journeys into the other realms, and St. Germain delivers breathtaking insights into the next part of our work.

Sexual Energies School Online - You've probably heard of "SES" more than a few times within the Crimson Circle webcasts and websites. It is the #1 core Crimson Circle class, originally channeled by Tobias and then updated in 2015 with additional session from Adamus. It helps Shaumbra manage their energy with other people, and to bring back a balance between the masculine and feminine energies within themselves. SES is hosted live with Geoff and Linda Hoppe twice a year, with the next offering December 9 - 11, 2022. Join over 20,000 Shaumbra who have already changed their lives with SES.
