

CRIMSON CIRCLE CONNECTION CENTER

VISITOR INFORMATION

WELCOME!

The Crimson Circle Connection Center, also known as the Studio, opened its doors in June 2014. Its birth and transformation into a state-of-the-art video recording studio was financed with donations from supporters all over the world. It serves as the location for the Monthly Webcast & Show, as well as for various in-person Crimson Circle events. It is also where Cloud Classes and other presentations for Shaumbra are recorded.

Two years later the space next door was transformed into the Masters Club, opening its doors to Shaumbra in August 2016. It is a place to gather, connect and commune with other people during the many events that are held at the Connection Center.

In this document you will find helpful information about local lodging, restaurants and other details.
